Simple Technology Solutions has just been recognized as being among OrangeSlices' 2024 Elev8 GovCon honorees.

In the highly competitive realm of Federal Government Contracting, success is not just measured by efficient solutions but also by the ability to foster a culture of excellence within the organization. Our team has always been committed to achieving excellence through adherence to the highest standards of ethics and conduct. This recognition is a testament to our unwavering dedication to excellence, and it inspires us to continue to uphold our values of integrity and professionalism in all that we do. The list represents a select list of federal government contractors who have been identified as #doingittherightway based on outstanding results in several key areas:

- **Good Partner** - in ways that go above and beyond to provide support, mentorship, engagement, and collaborate, and that bridge the divide, building one successful team to deliver for their client.
- **Growing Your Talent** - with a focus on what is best for the individual.
- **Philanthropy** – that is driven by its team, by its focus, and by what is happening in the world and communities it works in.
- **Exemplify Innovation** – and are guided by principles that understand the status quo is not enough and they must demonstrate they are doing more and doing better.
- **Industry Engagement** – that includes multiple aspects including mentorship, giving of time or services, sharing of intel, and will involve people from across the company and be driven by a desire to give back.
- **Inclusive and Diverse** - finding ways to have those voices heard, combining those personalities on shared efforts for the betterment of all involved.
- **Sustainability Practices** – demonstrating that everyone must do their part and they have identified and defined ways they can # do better for themselves and their government clients.
- **Investment for the Sake of Betterment** - putting money behind their commitment to improving the work environment and experience for both internal teams and as it relates to customer delivery.

The drivers of Elev8 GovCon have been identified as the key factors that provide a significant competitive advantage. They lead to higher levels of employee and customer engagement and loyalty, which are directly linked to increased growth and profits. The companies that have been recognized, along with their leaders, have demonstrated an exemplary approach to conducting business, and serve as models of best practice for others to follow.

[The official announcement is available here.](#)

The honors we have received are more than just accolades. They signify our commitment to excellence that permeates everything we do. Our exceptional culture, engagement, and dedication to giving back to the community have been recognized. This recognition would not have been possible without the remarkable support and dedication of our employees and partners. We are immensely grateful for your contributions, and we acknowledge that this is just the beginning.

Our unwavering pursuit of excellence remains steadfast, and we continue to set new standards in the GovCon sector. We would like to express our gratitude to our outstanding team, partners, and clients for being part of this incredible journey. Together, we will elevate GovCon to new heights!
